

**Clear Fork Veterinary Clinic**, located in Aledo, Texas (near Walsh Ranch), is a spacious and privately owned small animal clinic managed by Dr. Darryl McEndree. Our business is growing, and we are seeking a **FULL-TIME** (30+ hours per week) experienced veterinary technician / assistant.

If you seek a fulfilling career where you can immediately start helping canine and feline patients receive the finest medical care, and you are ready to work with a cohesive and well-experienced veterinary team, we want to hear from you! The services we provide include wellness exams, dental, surgery, internal medicine, emergency, and diagnostic imaging. The windows and furnishings in our waiting and exam rooms bring a touch of home comfort for our patients and clients, and our friendly staff provides a warm, caring approach to each task at hand.

We offer our staff a respectful and professional work environment, flexible work schedules, competitive salaries, and other benefits. **The ideal candidate will:**

- actively support veterinarians and other staff in daily patient and client care.
- communicate easily with clients and all aspects of pet health.
- be an active listener, paying close attention to details.
- check in patients, collect and record animals' case histories.
- observe the behavior and condition of animals.
- be calm, provide comfort and properly handle animals before, during and after procedures.
- actively demonstrate dependability and importance of work to clients, supervisor, and co-workers.
- take x-rays and perform laboratory tests.
- prepare animals and instruments for surgery; monitor and track vitals following surgery.

- easily adapt to whatever situation arises such as handling emergencies, taking initiative during light schedules or prioritizing duties during high call or in-person volume.
- participate in cross-training to work in all areas of a veterinary clinic.

### **Skills and Qualifications:**

- Two years' experience in a veterinary (or relevant) setting, required
- Excellent animal handling and restraint skills, required
- Strong computer skills, preferred
- Familiarity with veterinary equipment and procedures
- Exercise good judgment and be resourceful. Be able to look past any problem(s) and focus on a solution
- Must be at least 18 years old to perform duties including radiography (x-ray)
- Able to lift patients and carry equipment up to 40 pounds (with or without assistance)
- Able to sit, stand, and walk on hard floor surfaces for extended periods
- Able to type information for patient records and prescription label.
- High School degree

The candidate for this position may be exposed to a variety of pets that may bite or scratch, and on occasion, exposed to anesthesia, radiation, biological hazards, and medication/controlled substances.

The hours of operation for the clinic are Monday through Friday 8 am until 5:30 pm and Saturdays 8 am until noon. Employees may work, on average, 5 days a week, but days and times are flexible. Availability for a rotating Saturday shift is required.

Background and drug testing required. CFVC offers a competitive salary and benefits package. To apply, please send your resume and cover letter to [HR.CFVC@inovapartners.com](mailto:HR.CFVC@inovapartners.com) and reference **CFVCtech822**.
